North American Arms User Manuals

All NAA mini-revolvers are equipped with multiple safeties to provide maximum protection against discharge. However, because of the small size of the handgun extreme care must be used in handling this handgun along with strict attention to the basic rules of firearm safety. Before you shoot this handgun, read the manual thoroughly, making sure that you

The NAA Guardian has no external manual safety lever and no grip safety. It is fired like a double action revolver by firmly and deliberately pulling the trigger. Always keep the firearm unloaded until you are ready to shoot. When the firearm is loaded, do not touch the trigger unless you intend to fire!
